Subject:- Regarding "CHUNAV UTSAV" on 5th Sept, 2022 as part of SVEEP activities.

Sir/Madam

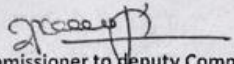

On the subject cited above as you are well aware that the general assembly election is around the corner. In this context various activities are being organised to create awareness among the voters/electors. The primary objective of these activities is to ensure the enrolment of the eligible and left out electors. The election commission of India recently took a decision to incorporate the qualifying date for enrolment as 1st Oct, 2022 that means citizen of India who is completing/attaining 18 years of age on 1st Oct, 2022 can enrol himself/herself as elector in the ongoing special summary revision. The enrolment can be done through offline mode (BLO) or online mode (Voter helpline App). The enrolment of the eligible population is the primary target so as to ensure a participative democracy in true sense and spirit.

Therefore to create massive awareness and education among the general public and young population especially, the mega events are being planned in phased manner for large scale outreach and penetration. In these sequences of events, "Chunav Utsav" on 5th Sept, 2022 at Atal Sadan from 11:00 AM onwards in which participating institutions (Colleges, ITIs and Polytechnic) through various performance will try to convey a message on the importance of the enrolment and other electoral processes.

We are hoping for a best all-round performances on that particular day with the active cooperation and support from you all. Exhibition on the Posters/Paintings/Slogans will also be showcased/displayed in the same event. The institutions who have done tremendous efforts in the enrolment drive of the eligible students will also be rewarded in the same event.

I hope for the participation and proactive response from all of you in making the above event a grand success.

Thanking you in anticipation.
