

26 june

INTERNATIONAL DAY AGAINST DRUG ABUSE AND ILLICIT TRAFFICKING

Theme: “Addressing drug challenges in health and humanitarian crises”

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, is marked on 26 June every year, to strengthen action and cooperation in achieving the goal of a world free of drug abuse. This global observance aims to raise awareness of the major problem that illicit drugs represent to society. Conflicts, climate disasters, forced displacement and grinding poverty create fertile ground for drug abuse – with COVID-19 making a bad situation even worse.
