Staff Donation Fund

A Staff donation fund is generated by the staff members of the institution in which teachers contribute voluntarily to support the needy students in their academic pursuits. A separate account in the bank is maintained for this purpose. The needy students are further verified by the college authorities, and if the case is found genuine, e.g. if any student is an orphan or is from economically weaker section irrespective of the category, is extended help out of this fund. Staff members also contribute individually towards the academic requirements of the needy students.
