NAAC Criteria 4- Infrastructure and Learning Resources (100)

Key Indicator- 4.3 IT Infrastructure

4.3.1 QIM

4.3.1: Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection. Describe IT facilities including Wi-Fi with date and nature of updation, available internet bandwidth within a maximum of 500 words.

The institution has a total of 8 Fibre Connections with Wi-Fi 2.4 & 5G capabilities and up to 200 Mbps of connection speed. Principal office has a computer with internet facility and printer cum scanner cum Photostat machine. Science and Arts buildings have two fiber connections each with full LAN capability. College has established one English language lab with internet for having 13 computers. The library has one digital library with fiber net connection for students. Also, one separate connection is available for

staff. There are a total of 55 computers in the BCA and IT lab. The faculty members and students have easy access to the internet facility in the library and IT lab. The faculty room has fiber net Wi-Fi facility. IT Lab is equipped with Linux OS for students

Upgradation of ICT Infrastructure and internet connectivity

- Website updation has been done in 2020-21 and college now has Enterprise Resource planning software (ERP) for full automation of college related activities. Some of the features which are being used are online registration/admission, roaster/merit list generation, Dept. wise updation, migration, change of subject, fee payment gateway, report generation etc.
- Bandwidth of connectivity with fibre up to 200 MBPS.
- ICT enabled classrooms
- The number of computers was increased from 50 in 2016-17 to 128 as on date.
- Language Lab has been established with audio- visual facilities and software for English language teaching and learning.
- CCTV cameras are installed in college campus at various locations for monitoring and surveillance purpose.
- Heavy-duty printers are available for speedy printing of the documents maintaining quality.
- Digital display boards are installed in the campus.
- A photocopy machine is installed in the library.
- The Administrative offices have been provided improved hardware and software supports so that the connectivity is seamless.
