Feedback Analysis and Action Taken Report for the Session 2022-23

The students were asked to give their responses to 20 questions covering curricular and co-curricular aspects as well as teaching methodology. Apart from the feedback from the students on the prescribed proforma, the feedback and suggestions from the CSCA and hostellers were also collected. The teachers and mentors interact with the students in the classes and discuss with them about the problems they face in the college. According to the feedback collected from the students it was observed that the syllabus was completed by all the teachers well in time. The students for found satisfied by the overall teaching methodology, their ability to communicate in the class and the process of internal evaluation. The teachers were helpful and supportive not only in the academic areas but also in their overall development.

S. No.	Suggestions	Action Taken
1.	The existing problem regarding the shortage of classrooms.	The new building which is near completion will house the library, various classrooms, administration office will solve the problem of class rooms to a great extent.
2.	PG classes in more subjects.	MA in Hindi and TTM started in the college. Efforts are being made to start PG classes in more subjects.
3.	Sports facilities should be increased in the college. More students should get the opportunity to participate in the games	The construction of indoor stadium has started and college level sports competitions will be held s that more number of students are able to participate.
4.	The students need guidance for competitive exams and entrance exams for higher studies.	Career Counselling and Guidance Cell organizes lectures for guiding the students about different career options and teachers help them in preparation for entrance exams.
5.	The library should be open during vacation also.	The library remains open during vacation.
6.	More books were needed in the	The library committee allocated funds

	library.	to different departments for purchasing the books. The relevant books were purchased on the recommendation of teachers.
7.	Workshops or skill based trainings should be organized.	Different departments organize workshops and provide short term trainings to the students.
8.	Internal Assessment should be shared with the students.	The teachers have been informed to do the needful.
9.	Kitchens and washrooms in boys and girls hostel needed repair.	Kitchens and washrooms in both the hostels were renovated/repaired.

As per feedback received from the teachers, it was observed that they were able to complete their courses well in time. They were satisfied with the appropriateness of the curriculum and syllabi contents for placements and higher education. According to their responses, they found the teaching aids in college quite sufficient. Administration is accessible and supportive. The infrastructure is not very sufficient but is optimally utilized by the students and faculty. Most of the teachers are overburdened due to the shortage of faculty and they do not get time for other academic pursuits.

It was a general perception of the alumni as expressed by them in the meetings that the college is progressing in all aspects. While most of the alumni feel that the syllabi they studied were relevant and have helped them find prospects of livelihood, they feel that the other activities the college offered them have given them opportunities to develop holistically. Their learning experiences have translated into meaningful life-skills. Regarding the teaching-learning environment in the college, most of the alumni are satisfied with campus and infrastructure, the academic culture and warm environment. They were ready to contribute in the development of the college.

Feedback Analysis and Action Taken Report for the Session 2021-22

A questionnaire having 20 questions covering curricular and co-curricular aspects as well as teaching methodology was circulated online among students. The students were asked to give their responses. The feedback was also taken by the teachers in their classes from the students, CSCA representatives and from the hostellers.

S. No.	Suggestions	Action Taken
1.	The major problem was regarding the shortage of classrooms.	The new building which is near completion will house the library, various classrooms, administration office will solve the problem of infrastructural limitation.
2.	Shortage of faculty in most of the disciplines	Being government institution the recruitment cannot be done at the institution level but the demand for faculty is sent to the higher authorities.
3.	The names of the teachers on leave should be displayed on the notice board.	One notice board near the Arts block and one near the Science block have been assigned for the purpose.
4.	Sports facilities should be increased in the college.	Basketball court is near completion and indoor stadium is proposed.
5.	PG classes in more subjects	The college has sent the proposal to the government regarding this.
6.	The score for the use of ICT by the teachers was low.	The teachers would be encouraged to use ICT tools wherever possible.
7.	The students need guidance for competitive exams and entrance exams for higher studies.	Career Counselling and Guidance Cell organizes lectures for guiding the students about different career options and teachers help them in preparation for entrance exams.
8.	Sanitary napkins incinerator was required in the girls' hostel	The incinerator has been installed in the girls' hostel.

The teachers are averagely satisfied with the prescribed syllabi/curriculum for transaction in their respective programmes. Most of the teachers are overburdened due to the shortage of faculty and they do not get time for other academic pursuits. It was a general perception of the alumni as expressed by them in the meetings that the college is progressing in all aspects. They were ready to contribute in the development of the college.
