Programme: B.A. (Hons. with Music)

[PEOs, PSOs and POs]

Program Educational Objectives (PEOs)

The PEOs will enable students to

PEO 1: To provide students with fundamental and advanced knowledge of Hindustani classical instrumental music, including Ragas, Talas, notation systems, and musical concepts.

PEO 2: To develop practical skills and performance abilities in vocal music through stage performances, demonstrations, and regular practice of compositions.

PEO 3: To cultivate analytical, creative, and intuitive understanding of music as a cultural language and promote appreciation of Indian musical traditions and heritage.

PEO 4: To enhance students' research, documentation, and presentation skills related to Indian classical music, folk traditions, and local musical heritage.

Program Specific Outcomes (PSOs)

PSO 1: Knowledge of Indian Classical Music

Students will acquire fundamental knowledge of Hindustani Classical Music, including basic concepts of Raga, Tala, Swara, Shruti, Thaata, and musical terminology.

PSO 2: Practical Performance Skills

Students will develop proficiency in vocal performance through practical training in prescribed Ragas, Talas, Alankars, compositions, and stage performance techniques.

PSO 3: Understanding of Music Theory and Notation

Students will be able to understand and apply the Bhatkhande Music Notation System and write Ragas and Talas in notation form.

PSO 4: Preservation and Appreciation of Musical Heritage

Students will develop awareness of Indian musical traditions, historical contributions of eminent musicians, and regional folk music traditions.

PSO 6: Professional Development in Music

Students will gain skills required for professional stage performances, higher studies in performing arts, and career opportunities as musicians, performers, and music professionals.

Program Outcomes (POs):

The syllabus has been structured according to NEP. After Completion of the curriculum the students will be able to get basic knowledge of Hindustani Music and its application. The students will be acquainted with analytical, creative, and instinctive understanding of music as a cultural language. The course intends to orient the students with the approaches to the discipline of Music Instrumental. Through this course, the students will be able to get theoretical and practical knowledge of some fundamental Ragas and Talas of Hindustani

Music. Through the curriculum, students will get acquainted with the authentic aspects of historical facts and gain knowledge of the glory of Indian Music. The students will also be able to acquire knowledge of prestigious Indian Musical Traditions. The curriculum will not only provide a bridge of performance ability to the students but also provide them employment opportunities. Students can also become professionals and pursue their careers as professional artists. Bachelors can go for higher studies in performing arts.

The curriculum is designed such that it trains and enhances the musical capabilities of the students while preparing them for higher education, professional stage performances, and musicologists along with imparting a technical proficiency in the subject.
